

CARE FOR YOU HOME HEALTHCARE AGENCY

Now offering Free blood pressure checks & *blood glucose checks*

When: February Thursday 18, 2016 @ 10:30am to 12:30N

Where: Herny A. Callis Tower
730 Callis Drive Akron, Ohio 44311

Referrals are provided for follow up as needed.

*Blood pressure testing should be done when you are calm, have not exercised recently, used a tobacco product or consumed caffeine in the last 30 minute

*Most people cannot tell if their blood pressure is high because there are usually no symptoms.

High blood pressure increases the risk of: Heart attacks, Heart failure, Stroke and Kidney failure.
